

J2 Dual Sliding Track System

PRODUCT DATA AND SPECIFICATIONS

For flexible interior spaces, J2 PET Felt Room Dividers can be paired with our Dual Sliding Track System, which allows panels to be rolled into place when privacy is needed, or moved out of the way when open space is in demand.

STYLE: Dual track

COMPOSITION: Aluminum

DIMENSIONS: Up to 12ft for single piece. See below for additional details

APPLICATION: Ceiling-mount

HARDWARE & INSTALLATION: Includes dual track, two carriers per panel, hardware to attach carrier to panel. Fasteners to attach to the structure not included due to varying ceiling substrates and requirements.

WARRANTY: 1-year warranty against manufacturing defects
